

PlayNest Copyright & DMCA Policy

Effective Date: June 17, 2026 | Operated by TL Media Group LLC ("PlayNest")

TL Media Group LLC, doing business as PlayNest ("PlayNest," "we," "us," or "our"), respects the intellectual property rights of others and expects users of the PlayNest website at playnest.social, mobile interfaces, and related services (collectively, the "Service") to do the same. This Copyright and DMCA Policy explains how we handle claims of copyright infringement under the Digital Millennium Copyright Act ("DMCA") and our policy regarding repeat infringers.

This Policy is incorporated by reference into our Terms of Service. Capitalized terms not defined here have the meanings given in our Terms of Service.

1. Designated DMCA Agent

PlayNest has registered a designated agent with the United States Copyright Office to receive notifications of claimed copyright infringement. To submit a DMCA notice or counter-notice, please contact our designated agent:

Designated Agent: [DMCA Agent Name — to be confirmed after USCO registration]

Operator: TL Media Group LLC d/b/a PlayNest

Mailing Address: [Mailing address — to be confirmed after USCO registration]

Phone: [Phone number — to be confirmed after USCO registration]

Email: hello@playnest.social

Please send DMCA notices only. Other inquiries sent to the designated agent may not receive a response.

2. Filing a DMCA Notice of Claimed Infringement

If you believe that material accessible on or from the Service infringes your copyright, you may submit a notice of claimed infringement (a "DMCA Notice") to our designated agent at the contact information above. To be effective under the DMCA, your Notice must be a written communication that includes substantially the following:

- A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive copyright that is allegedly infringed.
- Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works.
- Identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, with information reasonably sufficient to permit us to locate the material — for example, the URL of the page on the Service where the material appears.
- Information reasonably sufficient to permit us to contact you, such as an address, telephone number, and, if available, an email address.
- A statement that you have a good-faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law.

- A statement that the information in the notification is accurate, and under penalty of perjury, that you are authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Notices that do not substantially comply with these requirements may not be acted upon. Please note that under Section 512(f) of the DMCA, any person who knowingly materially misrepresents that material or activity is infringing may be subject to liability for damages.

3. Counter-Notification

If you believe that material you posted to the Service was removed or disabled by mistake or misidentification, you may submit a written counter-notification to our designated agent. To be effective under the DMCA, your counter-notice must be a written communication that includes substantially the following:

- Your physical or electronic signature.
- Identification of the material that has been removed or to which access has been disabled, and the location at which the material appeared before it was removed or access was disabled.
- A statement under penalty of perjury that you have a good-faith belief that the material was removed or disabled as a result of mistake or misidentification.
- Your name, address, and telephone number, and a statement that you consent to the jurisdiction of the federal district court for the judicial district in which your address is located (or, if outside the United States, of any judicial district in which PlayNest may be found), and that you will accept service of process from the person who provided notification under Section 2 above or an agent of such person.

Upon receipt of a counter-notice that substantially complies with the DMCA, we will promptly provide the person who submitted the original DMCA Notice with a copy of the counter-notice and inform them that we will replace the removed material or cease disabling access to it in 10 business days. We will then replace the removed material or cease disabling access to it not less than 10 and not more than 14 business days following receipt of the counter-notice, unless our designated agent first receives notice from the person who submitted the original DMCA Notice that they have filed an action seeking a court order to restrain you from engaging in infringing activity relating to the material on the Service.

4. Repeat Infringer Policy

In accordance with the DMCA and other applicable law, PlayNest has adopted a policy of terminating, in appropriate circumstances and at our sole discretion, the accounts of users who are deemed to be repeat infringers. We may also, at our sole discretion, limit access to the Service or terminate the accounts of any users who infringe any intellectual property rights of others, whether or not there is any repeat infringement.

We reserve the right to terminate accounts after one or more incidents of alleged infringement, depending on the nature and severity of the conduct. We may also take other actions, including removing infringing content, restricting features, or banning accounts and IP addresses, at our discretion.

5. Misrepresentations

Under Section 512(f) of the DMCA, any person who knowingly materially misrepresents (a) that material or activity on the Service is infringing, or (b) that material or activity was removed or disabled by mistake or misidentification, may be liable for any damages — including costs and attorneys' fees — incurred by PlayNest, by the alleged infringer, by any copyright owner or copyright owner's authorized licensee, or by any service provider that is injured by the misrepresentation.

Please do not make false claims. Submitting a DMCA Notice or counter-notification is a legal action with legal consequences.

6. No Legal Advice

This Policy is not legal advice. If you are unsure whether to submit a DMCA Notice or counter-notice, you should consult with an attorney. PlayNest's response to a DMCA Notice or counter-notice does not constitute legal advice and should not be relied upon as such.

7. Changes to This Policy

We may update this Policy from time to time. If we make material changes, we will notify you by posting the updated Policy on the Service and updating the "Effective Date" at the top. Your continued use of the Service after such changes constitutes your acceptance of the updated Policy.
